AMENDMENT

To the Commissioner for Patents:

In response to an office action mailed February 6, 2004 the applicant hereby amends his application as follows:

Listing of claims:

1. (cancelled) A peripheral computer enclosure comprising:
 - a. a casing having an open front and a back;
 - b. a plurality of slots disposed inside said casing;
 - c. a plurality of canisters disposed in said slots;
 - d. a plurality of storage devices wherein each of said storage devices is disposed in one of said canisters;
 - e. a back plane disposed in said casing wherein said back plane interconnects said storage devices;
 - f. a power supply disposed in said casing; and
 - g. a blower disposed in said casing.
2. (currently amended) A peripheral computer enclosure according to claim ~~[[1]]~~ 10 wherein said peripheral computer enclosure includes a controller card that is connected to said back plane.
